

This document contains all the titles and links to the separate photos of the pelvis plastination specimens dissected by Dr. Kees (C.P.) Maas, MD, PhD † and Prof. Marco C. DeRuiter, PhD, professor of Clinical and Experimental Anatomy at Leiden University Medical Center. The key of the labels can be found in [Leiden, Maas - Pelvis plastination specimens - English labels](#).

Photo	Title	URL
1	Sagittal section of the female pelvis	https://anatomytool.org/content/leiden-maas-photo-1-sagittal-section-female-pelvis-plastination-specimen-letter-labels
2	Sagittal section of the female pelvis	https://anatomytool.org/content/leiden-maas-photo-2-sagittal-section-female-pelvis-plastination-specimen-number-labels
3	The female pelvis viewed from superior	https://anatomytool.org/content/leiden-maas-photo-3-female-pelvis-viewed-superior-plastination-specimen-letter-labels
4	Detailed superior view of female pelvis	https://anatomytool.org/content/leiden-maas-photo-4-detailed-superior-view-female-pelvis-plastination-specimen-labels
5	Detailed superior view of female pelvis	https://anatomytool.org/content/leiden-maas-photo-5-detailed-superior-view-female-pelvis-plastination-specimen-labels
6	The female pelvis viewed from superior	https://anatomytool.org/content/leiden-maas-photo-6-female-pelvis-viewed-superior-plastination-specimen-labels
7	Arteries of the female pelvis	https://anatomytool.org/content/leiden-maas-photo-7-arteries-female-pelvis-plastination-specimen-labels
8	Frontal view of the female pelvis	https://anatomytool.org/content/leiden-maas-photo-8-frontal-view-female-pelvis-plastination-specimen-labels
9	Missing	Missing
10	Sagittal section of the female pelvis	https://anatomytool.org/content/leiden-maas-photo-10-sagittal-section-female-pelvis-plastination-specimen-letter-labels
11	Sagittal section of the female pelvis	https://anatomytool.org/content/leiden-maas-photo-11-sagittal-section-female-pelvis-plastination-specimen-number-labels
12	Missing	Missing
13	Lateral inferior view of the female pelvis	https://anatomytool.org/content/leiden-maas-photo-13-lateral-inferior-view-female-pelvis-plastination-specimen-letter-labels
14	Sagittal section of the female pelvis	https://anatomytool.org/content/leiden-maas-photo-14-sagittal-section-female-pelvis-plastination-specimen-labels
15	Sagittal view of the female pelvic nerves	https://anatomytool.org/content/leiden-maas-photo-15-sagittal-view-female-pelvic-nerves-plastination-specimen-number-labels
16	Lateral view of the female pelvis	https://anatomytool.org/content/leiden-maas-photo-16-lateral-view-female-pelvis-plastination-specimen-letter-labels
17	Posterior lateral view of the female hemipelvis	https://anatomytool.org/content/leiden-maas-photo-17-posterior-lateral-view-female-hemipelvis-plastination-specimen-labels

18	Posterior lateral view of the female pelvis	https://anatomytool.org/content/leiden-maas-photo-18-posterior-lateral-view-female-pelvis-plastination-specimen-labels
19	Nerves of posterior female pelvis	https://anatomytool.org/content/leiden-maas-photo-19-nerves-posterior-female-pelvis-plastination-specimen-number-labels
